

SMART TOOLS LADDER HORSE

ITEM#: MLH

PRODUCT DESCRIPTION:

Ladder Horse

APPLICATION:

For supporting, cutting, trimming and sawing

FEATURES:

Requires no unfolding, no assembly, and no bulky storage. No more bending over. Place the Ladder Horse on the support across the back of your ladder to stand up and cut. Cut EMT, Rigid, PVC and even threaded rod. Marked measurements help you cut the proper length for your needs. It can support fixtures while you get your footing. While standing up, cut drywall, and similar materials upright, using a t-square for a nice straight edge. Works with most stepladders.
